

Business Administration Minor (21 credits)

Student:

Effective Fall 2022

Advisor:

Major:

The Business Administration (BA) minor is designed to provide an opportunity for non-business students to examine and evaluate the complex components of today's competitive business environment. The BA minor gives students a clear understanding of how business works, and, ultimately, gives them a strategy for using business as a tool to achieve their professional and personal goals. The BA minor will provide students with a wide spectrum of fundamental business principles to give them a start in the right direction.
