

This year the Social Science Secondary Education (History) Program consisted of six students. Three students took and passed the Illinois State 114 exam. All three noted that the study aids purchased by the History Department were of help in preparing for the exam. Additionally, in the Spring one

Historiography papers from Dr. Kovalcik to add to the assessment, and is working with Dr. Monroe to devise one more method to ensure smooth re-approval.

Improvement Plans:

Dr. Mullgardt has spoken to, and has the support of, Dr. Gaylen and Dr. Monroe, about

Secondary Education majors wait too long (Fall term, Senior year) to take a methods course in their discipline, and
